CIVIL DISOBEDIENCE RESPONSE PROTOCOLS

For the purposes of a response to any civil unrest activity, the primary responsibility of the Incident or Operations Commander will be the protection of life and property and the maintenance of the assembly to freely exercise their Constitutional Rights in a lawful manner.

In order to achieve this objective, the Commanders will be responsible for ensuring that when it becomes necessary, announcements as to any law violation and subsequent actions that will be taken by law enforcement personnel are articulated to "all those present" prior to any arrest or contact between officers and citizens is conducted. Once these warnings have been given, the commanders will allow an appropriate amount of time for those persons creating a civil disturbance to obey the orders given to them by law enforcement. After an appropriate amount of time and only by order of the Incident or Operations Commander will arrests be made for any type of civil disobedience violations (i.e.: Unlawful Assembly, Failing to Disperse, etc.).

Civil Disobedience Response Operations Plan
Page 7 of 78

All Commanders should be cognizant that our ability to assist those persons who wish to lawfully exercise their Constitutional Rights could be impinged by the criminal conduct of others. It is our responsibility to ensure that we protect our community and those persons assembled to lawfully exercise their rights from those who would use these assemblies for criminal conduct. As such, it is the responsibility of all Commanders to ensure that anyone committing a criminal violation is arrested immediately and charged accordingly. Commanders should make every effort to ensure that all victims and witnesses to any criminal conduct are identified and allowed to provide statements for purposes of prosecution.

In the event that a protest situation occurs within the districts, the uniformed CDT Teams and/or Squads will be deployed first at the direction of the Incident or Operations Commander. If the protest situation becomes unruly, on scene Commanders may request additional assistance to their scene. Any activation of CDT personnel in Defensive Gear will require either the Incident or Operations Commander to respond to the scene.

Duty hours for the Civil Disobedience Teams and Support Personnel may be changed on a daily basis due to updated Intelligence information. Civil Disobedience Team Officers will be advised at the conclusion of each shift of their duty hours for the next day.

CIVIL DISOBEDIENCE TEAM 1 SUPPORT TEAMS

The following is a description of the teams that will be utilized to assist and support the Civil Disobedience Teams (CDT). Please note these teams are utilized only when the Civil Disobedience Teams (CDT) are deployed. All other arrests should be handled as per standard operation procedure by District Personnel. The following duty hours will be utilized for all Civil Disobedience Teams and CDT Support Teams (Arrest, Hand-Off, Documentation, and Booking teams) unless otherwise noted.

CIVIL DISOBEDIENCE TEAM ARREST PROCEDURE

The following procedures will be implemented should arrests occur as a result of a civil unrest situation.

The Civil Arrest Team (CDT) will affect the arrest and be indicated on the booking sheet as the Arresting Officer. A member of the Documentation Team will take a photograph of the arrested subject standing by the Arresting Officer. The prisoner will then be relinquished to an officer of the Hand-Off Team, where the subject will be properly searched. The Hand-Off Team will then fill out a brief (name, DOB, Arresting Officer, Charges) booking sheet. This booking sheet is to be placed in the prisoner's property bag. The prisoner will then be placed in a Cruiser/Bus for transportation.

Upon arrival at the St. Louis City Justice Center, located at 200 S Tucker Blvd, the arrested subject will then be relinquished to the custody of the Booking Team. The Booking Team will properly mark and packaged all property and book the arrested subject.

The Documentation Team will be on scene video recording all events and arrests when possible. The Documentation Team will be responsible for all reports related to arrests made as a result of the civil unrest.

The Evidence Collection Team will be responsible for seizing all evidence, whether or not an arrest situation occurs.

All subjects arrested by the Civil Disobedience Teams (CDT) will be transported to the St. Louis City Justice Center (200 S Tucker Blvd). All other arrests will be taken to the arresting officer's respective area station unless directed otherwise.

THE CIVIL DISOBEDIENCE HAND-OFF TEAM 1

The Civil Disobedience (CDT) Hand-Off Team will be posted next to a Prisoner Transportation Vehicle and will be responsible for taking custody of a subject arrested by the Civil Disobedience (CDT) Arrest Team. When an arrest is made by the CDT Arrest Team, the Hand-Off Team Officer will ensure a member of the Documentation Team takes photographs and video-recordings of the arrested subject standing next to the Arresting Officer. The Hand-Off Team Officer will then complete a brief booking sheet (Name, DOB, Arresting Officer, Charges). The Hand-Off Team Officer will then search the arrested subject and place any property that will need to be immediately seized (cellphone, lighter, etc.) in a property bag which he/she will mark with the arrested subject's name only. A property bag must be filled out (with the subject's name only) even if there is no property to seize, for the purpose of placing the booking sheet into the bag at the scene of arrest.

Civil Disobedience Response Operations Plan
Page 13 of 78

The Hand-Off Team Officer will then seal the property bag and relinquish it to the Booking Team Officer on scene. The Hand-Off Team Officer will then place the arrested subject in the designated Transportation Vehicle. The Hand-Off Team Officer will then repeat the process with another arrest or remain at the Conveyance Vehicle until needed. Any evidence that needs to be seized by the Hand-Off Officer or the CDT Arresting Officer will be relinquished to the Evidence Collection Team.

THE CIVIL DISOBEDIENCE PRISONER TRANSPORTATION TEAM 1

The Transportation Team will consist of 3 Sherriff's vans operated by Deputies from the Sherriff's Department. The CDT Transportation Team will be staged at the Civil Disobedience Deployment Area, located at the Police Academy, 315 S. Tucker Blvd. One Transportation Vehicle will be parked in the area where members of the Hand-Off Team will be staged.

When arrests are made, the Transportation Team will be utilized until the vehicle is filled to capacity with prisoners. The Transportation Vehicle will transport prisoners from the scene of the arrests to the St. Louis City Justice Center (200 S Tucker Blvd) escorted by a Booking Team Officer in a marked Department vehicle.

At this time, an empty Transportation Vehicle will respond to the Hand-Off staging area to repeat the prisoner transportation process.

After unloading all prisoners at the St. Louis City Justice Center, the Transportation Team will respond immediately back to the scene of the civil unrest situation unless directed elsewhere by the Incident Commander or Operations Officer.

THE CIVIL DISOBEDIENCE MASS ARREST BOOKING TEAM 1

The Booking Team will be responsible for booking all prisoners during a mass arrest situation. The Booking Team will be provided with two marked Department vehicles. Initially, 2 Booking Team Officers will stage at the St. Louis City Justice Center (200 S Tucker Blvd.) and the remaining 4 Booking Team Officers (2 two-person cars) will respond to the scene of the Civil Disobedience Team staging area  and stage by the Transportation Vehicle. These officers will assist the Hand-Off Team in filling out the necessary paperwork and collecting the sealed property bags from the Hand-Off Team Officers.

Civil Disobedience Response Operations Plan

Once the prisoners are secured, two of the Booking Team Officers will follow the Transportation Team to the St. Louis City Justice Center (200 S Tucker Blvd.) in one of the marked Department vehicles assigned to them.

Upon arrival at the St. Louis City Justice Center, the prisoners will be unloaded and relinquished to the other members of the Booking Team.

At least two of the Booking Team Officers will respond back to the scene of the civil unrest situation utilizing the marked Department vehicle and assist with any further arrests.

At least one Booking Team Officer who was present at the scene of the civil unrest situation will remain at the St. Louis City Justice Center to assist with the booking procedures. This will help facilitate an understanding with the other Booking Team Officers of the sequence of events that took place at the arrest scene.

Upon the prisoners' arrival at the St. Louis City Justice Center, the Booking Team will collect all other property from the prisoners and place the items in a new property bag along with the items taken at the scene of the arrest. The Booking Team will fill out the remaining items on the arrested subject's booking sheet and run the appropriated wanted checks on the computer. The Booking Team will then relinquish the items to the Booking Clerk.

Upon completion of the Booking Process, the Booking Team Sergeant will collect a copy of all Arrest Register Forms and pass them on to the Documentation Team for report writing purposes and to the St. Louis Metropolitan Police Emergency Operations Center for incident tracking.

The St. Louis Metropolitan Prisoner Processing personnel will make booking prisoners from any mass arrest situation a priority over any other bookings at that time. The Prisoner Processing personnel will assist the Booking Team with the handling and booking of all prisoners from a mass arrest situation.

CITY 00429

THE CIVIL DISOBEDIENCE EVIDENCE COLLECTION TEAM 1

The Evidence Collection Team will be responsible for collecting and seizing all evidence at the scene of the civil unrest situation.

Evidence subject for collection may consist of weapons or illegal contraband seized from individuals as well as items used as weapons against the officers. Examples of these items could include bottles and rocks that were thrown at officers, whether a relative arrest was made or not. The Evidence Collection Team will coordinate with the Documentation Team for report writing purposes.

Any evidence seized during a protest event will require "PROTEST" to be written on the outside of the Evidence Bag. This will ensure the evidence is properly stored for any future litigation.

The following duty hours will be utilized for all Civil Disobedience Teams and CDT Support Teams (Arrest, Hand-Off, Documentation, and Booking teams) unless otherwise noted.

CIVIL DISOBEDIENCE TEAM ARREST PROCEDURE

The Arrest Team will affect the arrest and be indicated on the booking sheet as the Arresting Officer. A member of the Documentation Team will take a photograph of the arrested subject standing by the Arresting Officer. The prisoner will then be relinquished to an officer of the Hand-Off Team, where the subject will be properly searched. The Hand-Off Team will then fill out a brief (name, DOB, Arresting Officer, Charges) booking sheet. This booking sheet is to be placed in the prisoner's property bag. The prisoner will then be placed in a Cruiser/Bus for transportation.

Upon arrival at the St. Louis City Justice Center, located at 200 S Tucker Blvd, the arrested subject will then be relinquished to the custody of the Booking Team. The Booking Team will properly mark and packaged all property and book the arrested subject.

The Documentation Team will be on scene video recording all events and arrests when possible and will be responsible for all reports related to arrests made as a result of the civil unrest.

The Evidence Collection Team will be responsible for seizing all evidence, whether or not an arrest situation occurs.

All subjects arrested by the Civil Disobedience Teams (CDT) will be transported to the St. Louis City Justice Center (200 S Tucker Blvd). All other arrests will be taken to the arresting officer's respective area station unless directed otherwise.

THE CIVIL DISOBEDIENCE HAND-OFF TEAM 2

The Civil Disobedience (CDT) Hand-Off Team will be posted next to a Prisoner Transportation Vehicle and will be responsible for taking custody of a subject arrested by the Civil Disobedience (CDT) Arrest Team. When an arrest is made by the CDT Arrest Team, the Hand-Off Team Officer will ensure a member of the Documentation Team takes photographs and video-recordings of the arrested subject standing next to the Arresting Officer. The Hand-Off Team Officer will then complete a brief booking sheet (Name, DOB, Arresting Officer, Charges).

The Hand-Off Team Officer will then search the arrested subject and place any property that will need to be immediately seized (cellphone, lighter, etc.) in a property bag which he/she will mark with the arrested subject's name only. A property bag must be filled out (with the subject's name only) even if there is no property to seize, for the purpose of placing the booking sheet into the bag at the scene of arrest,

The Hand-Off Team Officer will then seal the property bag and relinquish it to the Booking Team Officer on scene. The Hand-Off Team Officer will then place the arrested subject in the designated Transportation Vehicle. The Hand-Off Team Officer will then repeat the process with another arrest or remain at the Conveyance Vehicle until needed. Any evidence that needs to be seized by the Hand-Off Officer or the CDT Arresting Officer will be relinquished to the Evidence Collection Team.

The Transportation Vehicle will transport prisoners from the scene of the arrests to the St. Louis City Justice Center (200 S Tucker Blvd) escorted by a Booking Team Officer in a marked Department vehicle.

At this time, an empty Transportation Vehicle will respond to the Hand-Off staging area to repeat the prisoner transportation process.

After unloading all prisoners at the St. Louis City Justice Center, the Transportation Team will respond immediately back to the scene of the civil unrest situation unless directed elsewhere by the Incident Commander or Operations Officer.

THE CIVIL DISOBEDIENCE MASS ARREST BOOKING TEAM 2

The Booking Team will be responsible for booking all prisoners during a mass arrest situation. The Booking Team will be provided with two marked Department vehicles. Initially, 2 Booking Team Officers will stage at the St. Louis City Justice Center (200 S Tucker Blvd.) and the remaining 4 Booking Team Officers (2 two-person cars) will respond to the scene of the Civil Disobedience Team staging area [REDACTED] and stage by the Transportation Vehicle. These officers will assist the Hand-Off Team in filling out the necessary paperwork and collecting the sealed property bags from the Hand-Off Team Officers.

Upon the prisoners' arrival at the St. Louis City Justice Center, the Booking Team will collect all other property from the prisoners and place the items in a new property bag along with the items taken at the scene of the arrest. The Booking Team will fill out the remaining items on the arrested subject's booking sheet and run the appropriated wanted checks on the computer. The Booking Team will then relinquish the items to the Booking Clerk.

Upon completion of the Booking Process, the Booking Team Sergeant will collect a copy of all Arrest Register Forms and pass them on to the Documentation Team for report writing purposes and to the St. Louis Metropolitan Police Emergency Operations Center for incident tracking.

The St. Louis Metropolitan Prisoner Processing personnel will make booking prisoners from any mass arrest situation a priority over any other bookings at that time. The Prisoner Processing personnel will assist the Booking Team with the handling and booking of all prisoners from a mass arrest situation.

THE CIVIL DISOBEDIENCE EVIDENCE COLLECTION TEAM 2

The Evidence Collection Team will be responsible for collecting and seizing all evidence at the scene of the civil unrest situation. Evidence subject for collection may consist of weapons or illegal contraband seized from individuals as well as items used as weapons against the officers. Examples of these items could include bottles and rocks that were thrown at officers, whether a relative arrest was made or not. The Evidence Collection Team will coordinate with the Documentation Team for report writing purposes.

Any evidence seized during a protest event will require "PROTEST" to be written on the outside of the Evidence Bag. This will ensure the evidence is properly stored for any future litigation.
